If you can dream it! I can find it!

I specialize in finding dream homes in great neighborhoods with exemplary schools. They are NOT the bread and butter homes we see everyday. They are special. They are unique. They are what YOU want in a home. I call them "dream catchers". Go to "Additional Documents" in the quick links section of this website and complete your "Home Wish List". Email your "dream catcher" to phil@kw.com .

Or call me and tell me about your dream home. 888-YES-PHIL. It may take me a while to find it. But, I will find it.

I have dream catcher helpers in all 50 states and most foreign countries. Share your dreams with me!
